

## DRUG & ALCOHOL SCREENING

In the interest of a safe working environment many organisations conduct drug and alcohol screening in their workplace. We can support organisation’s drug and alcohol policy/program by conducting an independent drug and alcohol screening service.

**We conduct drug and alcohol screening in a private and confidential environment at our Rockhampton office:**

- Drug & alcohol test certificate issued to each person
- Professional, Nationally Accredited collectors/technicians
- Non-negative results dealt with confidentiality

Screen Conducted	Price
Drug screening	\$70 + GST
Alcohol screening	\$15 + GST

### Screening schedules:

- Random
- Scheduled
- Pre-employment
- On suspicion
- Post incident
- Pre-departure to client’s site / prior to induction

**Non-negative results can be forwarded to laboratory for GC/MS testing for \$160 + GST; results are received in a maximum of 48 hours.**

### Australian Standard compliant screening:

- Urine drug screening in accordance with AS/NZS 4308:2008
- Oral fluid drug screening in accordance with AS 4760-2006
- Alcolizer used for alcohol screening is in compliance with AS3547

**Our 6 panel urine drug screening test, detects the following drugs:**

Test	Calibrator	Examples
MP	Amphetamine	Ice / Crystal Meth
MET	Methamphetamine	Speed, Uppers
COC	Benzoylcegonine	Cocaine
OPI	Morphine	Opiates, Codeine
THC	Tetrahydrocannabinol	Marijuana / Cannabis
BZO	Oxazepam	Valium, Tranquilisers
